Rordic folklore says, at twilight trolls gather cloudberry found along the banks of the fjord waters. Rich in vitamins, minerals, and antioxidants, cloudberry have a delicious sweet and sour citrus taste.

Nordic Naturals has captured the taste and many of the benefits found in these berries to support growth and development during the early years.** Nordic Berries deliver the quality you have come to expect from Nordic Naturals. This multivitamin makes an ideal companion to any of our fruit-flavored fish oil products for children.
